

## **Kaulig Capital Announces New President & Promotions**

HUDSON, OH - On behalf of the Kaulig Companies, Matt Kaulig and Tim Clepper are pleased to announce two promotions at Kaulig Capital, the private investment firm of the Company.

Dominic Brault has been named President and Managing Director, further reinforcing his firmwide leadership role. Brault joined Kaulig Capital at the inception of the family office and has since led the investment team on over 80 unique transactions across the private equity and real estate portfolios. Under Brault's leadership, Kaulig Capital cultivated its investment thesis for majority and minority investments, ultimately investing in opportunities that create substantial long-term value. He also serves on the Kaulig Companies Executive Committee along with Matt Kaulig (Executive Chairman), Tim Clepper (President and CEO), Paul Martin (CFO), and Chad Luckie (COO).

Brooke Sirak has been promoted to Director at Kaulig Capital. Sirak was Brault's first hire on the Kaulig Capital team, joining as Vice President in 2020.

Together, Brault, Sirak and their team executed on noteworthy transactions including the acquisition of Action Industries (and subsequent add-on of A-tech), the investment into Guardian Dentistry Partners, and the founding of real estate development company FLICORE, among others.

"We are excited to launch 2025 with these promotions for integral members of our team," said Kaulig Companies Chief Executive Officer, Tim Clepper. "We are fortunate to have a talented team leading Kaulig Capital as the family office approaches ten years of making investments. Dominic got on the rocket ship before we even had an office space, and we couldn't be more proud to announce his promotion to President of Kaulig Capital today."

Matt Kaulig, Executive Chairman and Founder of the Kaulig Companies said, "Both Dominic and Brooke exemplify the values and vision of the Kaulig Companies and our family. We are confident in their abilities to continue to make meaningful impacts on our investments and portfolio companies."
